Dear Mr. Mortenson:

Re: 1986 Annual Report, Utelite Mine, ACT/043/004,
Summit County, Utah

Enclosed is the the annual report form that must be completed and returned to the Division by March 31, 1987. This report should provide details of the mining and reclamation activities conducted by Utelite Corporation during 1986 and should include an updated map of the operation.

A recent review of our files indicates that the Division has been delinquent in completing the permitting action required to formally approve Utelite Corporation's original permit application. We will make every effort to review the permit application this spring. We will, most likely, contact you in late spring to arrange a mine site inspection as part of this review.

Should you have any questions at this time, or need additional information, please contact me or Frank Filas of my staff.

Sincerely,

A handwritten signature in cursive script, reading "Lowell P. Braxton".
